To Date 26/1/1953.

The Hon.Sri.A.B.Shetty,
Minister For Public Health,
Government of Madras.

Dear Sri.A.B.Shetty,

I am writing this letter to you in connection with the proposed Dispensary at KARAVI VILLAGE in Karkala Taluk. We are all very grateful to you and to the Government of Madras for having sanctioned the opening of thex said dispensary.

Q 1-5-52

I however understand ~~thx~~ on reliable authority that the opening of the said dispensary has been held up on the following ground.

There is no suitable private building at Karavi for the immediate opening of the said dispensary. It has been proposed to locate the same in the Inspection Bungalow belonging to the Forest Department. The said commodious building is located within a spacious ~~and~~ compound and has three or four small outhouses also attached to it. It is eminently suitable for housing the dispersary and for providing quarters for the staff. ~~xthxx~~ The same is lying practically unused and as in the case of vacant buildings is slowly falling into decay.

The D.M.O, South Kanara has had a talk in the matter with the D.F.O, of the district and I understand that the D.F.O is agreeable to lend the building for housing the dispensary. The matter I understand has been referred to to the Government and is therefore now pending at Madras. We would be grateful if you could kindly help us again in the matter by having formal permission accorded to locating the said dispensary atleast in the initial stage, in the above mentioned forest inspection building at Karavi.

--

The Tahsildar Karkal who was requested to select a suitable building for housing the dispensary at Naravi informed me that with the exception of the Forest bungalow there are no other Government buildings at Naravi. Suitable private buildings were also not available. He therefore suggested to approach the Forest Department to place at the disposal of the Medical department a portion of the Forest bungalow for the dispensary till Government buildings are constructed. Accordingly I approached the officers of the Forest department. I also paid a visit to the locality and was not satisfied with some of the houses available for rent. Those buildings are not at all suitable and in my opinion the only suitable place is the Forest bungalow. A copy of letter Ref.C.No.4730/52-1 dated 28.1.1953 from the District forest Officer, South Kanara Mangalore is appended. Sanction may kindly be accorded for the payment of rent at Rs.8/-per month to the Forest department till a suitable building becomes available. As I have to give a reply to the District Forest officer, Mangalore early orders may kindly be issued in the matter. below

--

Copy of letter Ref.C.No.4730/52 dated 28.1.1953 from the District Forest officer, S .Kanara Mangalore to the District Medical officer, S.K.Mangalore.

--

Please let me know whether you are prepared to pay any rent for the portion of the Naravi rest house proposed to be occupied for establishing a Government medical dispensary. The Capital cost for half the rest house and half of the out-house including a well works to Rs.1504-8-0 and the chargeable rent is Rs.90/-at 6% annum or about Rs.8/-per month, Subbject to approval by the Accountant-General, Madras. An early reply is requested.

A *copy of the Inspection Notes by the Collector of this District regarding the Forest Traveller's Bungalow at Naravi received from the District Forest Officer is herewith forwarded. The District Forest Officer has informed me that the Forest Rest House (Traveller's Bungalow) will not be rented out to the Medical Department. Under the circumstances I have to select a suitable building for opening the dispensary., I propose to visit the place on the 22nd of this month and shall submit a report after inspection.

Copy of Notes of inspection by the Collector of the Forest Travellers' Bungalow at Naravi village, Karkal taluk.

-:-

Date of inspection 26-2-1953.

In connection with a proposal to locate a hospital in a portion of the Forest Travellers' Bungalow at Naravi, Karkal taluk, I visited the village on 26-2-1953 and inspected the Forest Travellers' Bungalow. I inspected also two other private buildings in Naravi, which are available on rent for locati hospital.

2. The Forest Travellers' Bungalow at Naravi is located in a spacious compound situated in the approach to the village. There is a main Bungalow with two separate rooms and attached bath rooms with front verandah and rear verandah. There is a separate kitchen building. There is also a third building intended for occupation by subordinate officers, when the main building is occupied by Superior Officers. The buildings are in fair condition, though there is scope for improvement and better maintenance. I saw lots of white ants in the subordinat buildings, and these should be eradicated. As remarked by some of the camping officers in the Bungalow book, it would be a useful thing if a cot, and some vessels for storing water, were supplied to the Bungalow.

3. The well in the compound is in good condition and contains about 5' of water.

4. It is true that this Forest Travellers' Bungalow has been rather rarely occupied as seen from the following figures.

Year	1953	1952	1951	1950	1949	1948	19
No. of times occupied as per entries in the Bungalow book.	Nil	14	7	3	2	8	

	1946	1945	1944	1943	1942	1941
Continued	2	Nil	2	3	13	10

In spite of the above poor figures, I am of the opinion that this Bungalow should be allowed to continue in tact as ~~Tuberculosis~~ T.B. Naravi village is in the community project area, and this fact is bound to make it necessary for a number of officers to camp in this village in future at least. Further, the very existence of a hospital will necessitate visits by the District Medical Officer and others. If one half of the ~~Xxxxx~~ T.B. is used as hospital it is as good as the entire building being closed for camping officers, as it will be unpleasant and inconvenient for anybody to camp in a building, one portion of which is occupied by patients, medical equipment, medicines etc

5. The proposal to locate a hospital in a portion of the

14

T.B. seems to have been initated on the following two assumptions.

(1) That there are no private houses available to locate the hospital and

(2) that no rent will have to be paid for the use of the T.B.

6. Both the above assumptions are unfounded. The Forest Department have already stated that a rent of Rs.8/- per month will have to be paid for the use of the portion of the T.B. There are two private houses in the village, both of which are vacant. One belonging to Sri Savanal Sadashiva Rao, is available for a rent of Rs.15/- per month. This house has got a spacious compound with some out houses. Another house belonging to one Devoja Montero son of Mothash Montero is available on a rent of Rs.5/- per month, perhaps even free of rent. Both houses have upstairs.

7. These two private houses are closed to the bazaar and will be more convenient of access to the patients than the T.B. which is rather far off. Either of the two houses will be suitable for a hospital, and a portion can also be used as residence for the Doctor if necessary. Both the houses contain a number of rooms which could be used for consultation, compounding, storing medicines etc. The second house has a more spacious verandah where the public and patients can wait.

8. In the above circumstances, I am against any portion of the Forest T.B. being spared for the proposed hospital. The utmost concession that can be shown is that in case the doctor is unable to get suitable residential recommendation in the village, he can be allowed to occupy for a resonable time the subordinates' building of the T.B.

9. This inspection notes should be kept in the concerned file of the 'B' Section and necessary further action taken.

ENCLOSURE.

NOTES OF INSPECTION BY THE COLLECTOR OF THE FOREST TRAVELLER's BANGALOW AT NARAVI VILLAGE, KARKAL TALUK.

Date of inspection - 26-2-1953.

In connection with a proposal to locate a hospital in a portion of the Forest T.B. at Naravi Karkal Taluk, I visited the village on 26-2-1953 and inspected the Forest T.B. I inspected also two other private buildings in Naravi, which are available on rent for locating hospital.

2. The Forest T.B. at Naravi is located in a spacious compound situated in the approach to the village. There is main Bungalow with two separate rooms and attached bath rooms with from verandah and rear verandah. There is a separate kitchen building. There is a lso a third building intended for occupation by subordinate officers, when the main building is occupied by superior officers. The buildings are in fair condition, though there is scope for improvement and better maintenance. I saw lots of white ants in the subordinates' building, and these should be eradicated. As remarked by some of the camping officers in the Bungalow book, it would be a useful thing if a cot, and some vessels for storing water, were supplied to the Bungalow.

3. The well in the compound is in good condition and contains about 5' of water.

4. It is sure that this Forest T.B. has been rather rarely occupied as seen from theefollowing figures.

Year:-	1953	1952	1951	1950	1949	1948	1947
No. of times occupies as per entries in the Bungalow book	nil	14	7	3	2	8	3

(continued)	1946	1945	1944	1943	1942	1941
	2	nil	2	3	13	10

Inspite of the above poor figures, I am of of the opinion that this Bungalow should be allowed to continue in tact as T.B. Naravi village is in the Community project Area and this fact is bound to make it necessary for a number of officers to camp in this village in future at least. Further, the very existence of a hospital will necessitate visits by the D.M.O and others. If one half of the T.B. is used as hospital, it is as good as the entire building being closed for camping officers as it will be unpleasant and inconvenient for anybody to camp in a building one portion of which is occupied by patients, medical equipment medicines etc.

5. The proposal to locate a hospital in a portion of the T.B. seems to have been initiated on the following two assumptions:- (1) That there are no private houses available to locate the hospital and (2) that no rent will have to be paid for the use of the T.B.

6. Both the above assumptions are unfounded. The Forest Department have already stated that a rent of Rs.8/- per moth will have to be paid for the use of the portion of the T.B. There are two private houses in the village, both of which are vacant

vacant. One belonging to Sri Sāvanal Sadashiva Rao, is available for a rent of Rs.15/- per month. This house has got a spacious compound with some out houses. Another house belonging to one Devoja Monetero, son of Mothaash Mentero is available on a rent of Rs.5/- per month, perhaps even free of rent. Both houses have upstairs.

7. These two private houses are close to the bazaar and will be more convenient of access to the patients than the T.B. which is rather far off. Either of the two houses will be suitable for a hospital and a portion can also be used as residence for the Doctor if necessary. Both the houses contain a number of rooms which could be used for consultation compounding, storing medicines, etc., The second house has a more spacious verandah where the public and patients can wait.

8. In the above circumstances, I am against any portion of the Forest T.B. being spared for the proposed hospital The utmost concession that can be shown is that in case the Dr. is unable to get suitable residential accommodation in the village, he can be allowed to occupy for a reasonable time the subordinates's building of the T.B.

9. This inspection notes should be kept in the concerned file of the 'B' section and necessary further action taken.

Sir,

Sub:-Medical relief - South Kanara - Karkala Taluk - Naravi village - Opening of a dispensary -

---

Ref:-Government Memorandum No.5395/53-5-H.3 dated 27-4-53.

In continuation of this office letter Ref.No.11743-5-G.2/52 dated 1-4-53, I am to forward herewith a copy of letter C.No. 3739/53* dated 25-4-53 from the District Medical Officer, South Kanara on the above subject for the information of Government. The offer of Sri D. Montheiro the use of his house for locating the dispensary free of rent for one year and on payment of rent of Rs. 10/- per mensem thereafter may be approved and necessary sanction accorded at an early date.

Yours faithfully,

for Director of Medical Services.

*Copy of letter.

I append a copy of letter** dated 23-4-1953 from Dioga Montheiro son of Mathais Montheiro, Naravi village, consenting to give his house for housing the dispensary at Naravi for one year free of rent and thereafter on a monthly rent of Rs. 10/- till the construction of a new building for the dispensary. I consider that his offer is reasonable and may be accepted. I request the favour of very early orders in the matter to enable me to open the dispensary.

2. A Medical Officer, knowing Kannada, with some previous experience may be posted for opening the Government dispensary at Naravi.

**Copy of letter.

Ref:-Your C.No.3737/53 dated 18-4-53.

With reference to your kind letter referred to above, I have to state that I have no other house and that I want to occupy the building in question as soon as the construction of the new building is completed However, to facilitate the opening of the Govt. dispensary early I am willing to lease out my house to the Government for one year free of rent and thereafter at a monthly rental of Rs. 10/- till the construction of the new building is completed.

Subject- Proposed Government Dispensary
At Karavi- Karkala taluk, South Kanara Dt

Date 16/5/1953.

MINISTER FOR HEALTH
18 MAY 1953
GOVERNMENT OF MADRAS

Dear Sir,

The opening of the above mentioned dispensary appears to have been subject to a certain amount of delay. Two buildings, one for housing the dispensary and the other for housing the doctor have been got ready. I have personally seen the same in the company of the Project Executive Officer S.K.Dt. Though the said buildings cannot be said to be in any way perfect, I am sure that they will serve their purpose for the present.

I believe you have already received a reply from the concerned owners of the said buildings that the same are ready and that the dispensary may be started early. I beg to invite your kind attention to the reply of Sri.Dioga Monteiro dated 18/4/1953, addressed to you in this connection, (he being one of the house owners)

You are aware that the people of the above area have been agitating for the said dispensary for a long time and that they are grateful to theState Health Ministry for sanctioning the same. But there has been a considerable time lag between the sanctioning and actual execution, which has yet to take place. The monsoon is fast approaching, and may break out at any time within the next two or three weeks. After the monsoon should break, bus travel on this route will be automatically suspended on account of the unbridged rivers which will be in floods and moving of stores and personnel will become well nigh impossible. Under the circumstances, I request that the matter may be attended to without any further delay. Otherwise the matter will have to be postponed till the end of the monsoon and this will result in great disappointment for the villagers.

Trusting that the said matter will have your early attention,

Yours faithfully,

p 11 g

The notes at pp.1-4 above and the letter from the D.M.S. and its enclosures at pp.11-14 c.f. may be read. After an inspection of Naravi village, the Collector of South Kanara has suggested that the T.B. Bungalow of the Forest department cannot be spared for locating the proposed dispensary. The D.M.S. has stated that the question of finding out some other ~~public~~ building for housing the proposed dispensary at Naravi is separately under consideration and that a further communication will be sent to Govt. as early as possible. His further communication may be awaited. Meanwhile the papers may be filed with G.O.No. 3116-H, dated 4-10-1952 and an entry may be made in the call book against 15-6-1953 to remind the D.M.S. in the matter. It does not seem necessary now to await the reply and C.C.F to the memo on p.7 ante.

p7c4 of (5)

With reg to the query of ADS at the bottom of p6 ante it is subd that in Go. No. 4902 PW d 30.11.51 the Certificate of E.E. regarding seasonableness of rent was ordered to be dispensed with in the case of building where the rent is Rs 15/- & below. Hence the Certificate of non availability of public building will have to be obtained even when the rent for such a building is Rs 15 and below.
